Dear Ira,Inga, Ari and the whole Rennert Tribe
Shana Tova from the bottom of our hearts. May HaShem make it a year when all your wishes will be fulfilled. It'll be good for Am Israel because we know- that's what really matters to you.
Tough road ahead for our people in this crazy corner of the world. But we can't choose our neighbors. That's what HaShem gave us. So we'd better stay strong and open eyed. Relying on ourself. The Almighty tends to help those who doesn't leave everything to Him but rather help themselves.
All the best
Shana Tova uMetuka
Nili and Ehud
